The Fat Bottom Girlz (FBGz) riding group is an all-inclusive group of women. We welcome all riders with all makes of bikes, regardless of their skill level. We do not discriminate on the basis of race, ethnicity, or sexuality. We only ask that you are 18 years of age or older, and contribute to our group in a safe, and positive way. By signing below, you agree that you will follow all rules and instructions as laid out by the Road Captain and the Sweep prior to each ride. You will ride at all times safely and within your skill level. You also agree that you are responsible for your own safety and personal safety equipment. Florida does not require the use of a helmet, and as such, we do not require members to wear one, however; we most strongly advise everyone wear one. Additionally, you understand that motorcycling is by its nature dangerous, and that unexpected events can and do occur. The FBGz are not responsible for personal property damage or loss to your motorcycle, nor are they liable for any injury you may sustain while riding with the group.

I certify the above information is correct, I understand fully the hazards inherent with motorcycling, and agree to ride in a safe, and responsible manner.
